DIRECTIVE
ON
SMOKING BAN IN WORKPLACES AND MEETING HALLS

With reference to the Council of Ministers' letter No. 1270 A. dated August 14, 1994, concerning the policy of cigarette smoking prohibition in workplaces and meeting halls, and with reference to the workshop on November 22, 2006, which presented that cigarette smoking and inhalation of second-hand smoke severely affect the health and environment, causing the loss to family budgets and the national economy, the Ministry of Industry, Mines, and Energy would like to give the following directive:

- 1- Prohibit cigarette smoking in offices, meeting halls, restrooms, and corridors of the workplace.
- 2- Request the participation in raising awareness on the health impact of cigarette smoking, so as to prevent or reduce smoking towards eliminating the cigarette smoking habit completely.
- 3- In the event of any violation of the above directive, the individuals shall be educated.

All departments and provincial/municipal departments under the Ministry of Industry, Mine and Energy shall implement this circular effectively
